Profile

Junior Web Developer living in Belgrade currently finishing ICT College and working on my skills. A highly motivated and hardworking individual looking for an entry level role in an organization where I can learn new skills, expand my knowledge, and leverage my leanings.

Work Experience

Web Developer , Cubes d.o.o, Belgrade

January 2019 — April 2019

Worked on developing a blog web application using PHP. The task was to build a web app that contains articles that regular users can read, like, comment and share, while admin users can post them, delete them and ban authors.

Web Designer , Sinhrobit

January 2021 — Present

Creating and maintaining a company's advertising website where users can reach out to the company, browse their YouTube content etc. Using plain HTML/CSS. <https://sinhrobit.rs/>

Education

Certificate in Web Development, Cubes School, Belgrade

September 2019 — April 2020

Department School of Information and Communication Technologies, Belgrade

October 2020 — Present

Technologies

SQL (MySQL, SQLServer, phpMyAdmin)

C# (OOP Basics, Visual Studio)
